VERSITOP FOOD WARMER WITH GANTRY & SNEEZE GUARD 4X1/1 GN FTG3

Product Code: 4003014

Product Description:

The Versitop Food Warmer with Gantry & Sneeze Guard 4x1/1 GN is a commercial-grade food warming unit commonly used in the food service industry to keep cooked food at a safe and consistent temperature until it is ready to be served. This unit is designed to hold up to four full-size (1/1) gastronorm pans and features a gantry and sneeze guard to protect the food from contaminants and to keep it visible to customers.

The Versitop Food Warmer is a countertop unit with a stainless steel exterior and interior. It uses a dry-heat system to maintain the desired temperature, which can be adjusted between 30°C to 110°C. The unit features independent thermostatic controls for each of the four warming zones, allowing for greater control over the temperature of different types of food.

Unit: EACH

\$3,118.55 ex. GST
