FLOOR SWEEPERS

Suresweep STR1100

190546 - Battery operated ride on

- Tandem Roller System (TRS) ensuring highly efficient collection of rubbish.
- Polypropylene double row main brooms are standard to assist with the sweep action meaning a one pass sweep in heavy conditions, saving time and costs.
- Convenient for both outdoor and indoor use.
- Smooth running, making it great for use on carpets and multi surface environments.
- High performance suction system for reduced dust discharge into your working environment - Good for OH&S purposes.
- Dust extraction with 900 square metres of air volume per hour through a dust filter of 4 square metres.
- Chain driven, ensuring no belt slippage, with minimal maintenance required and benefit cost of ownership.
- Excellent ramp-climbing ability for easy transport.
- Central seat position for better visibility when cleaning beside edges.
- Additional automatic high dump system available (stock code: 203676).
- Engineered and manufactured in Germany.
