WASTEPAC VERTICAL BALERS

Waste Initiatives “WastePac” range of Vertical Balers are built to comprehensively meet the needs of the Australian market.

Our balers are designed for a variety of industries and applications. The WastePac baler is well known for its simplicity and user friendliness.

All balers are hydraulically powered, resulting in maximum bale density, saving time, space and disposal costs.

Our range of over 15 balers, caters for clients producing small volumes of waste or tight space restrictions, through to high-volume waste producers, requiring maximum bale density and export-grade bale sizes.

BENEFITS

- Heavy duty industrial build
- Reduce waste costs up to 100%
- Low maintenance
- Safe & easy operation
- Suitable for processing multiple products
- 24 Months Warranty

APPLICATIONS

A wide variety of applications include:

- Cardboard (OCC)
- Plastic Film (LDPE)
- Bulk Bags (PP)
- Tyres
- Paper
- E-waste
- Aluminium Cans
- Milk Bottles (HDPE)
- Plastic Drums
- Light Gauge Metal

FEATURES THAT GUARANTEE **HIGH PERFORMANCE**

INDUSTRIES

- W Distribution Centres
- W Warehouses
- W Recyclers
- W Land Fills & Transfer Stations
- W Hospitality & Entertainment Venues
- W Food & Beverage Manufacturing
- W Retail & Shopping Centres
- W Hospital & Aged Care

OPTIONAL EXTRAS

- W Galvanised
- W Auto Bale Ejector
- W Sliding Door
- W Bale Trolley
- W 1 Phase or 3 Phase Power
- W Can Crusher Insert

Bale Sizes

Ranging from 40kg up to 650kg.

User Friendly

Safe and easy to operate with an intuitive control panel.

Automatic Control Panel

Push button operation with automatic compaction cycles.

Retention Hooks

Prevent spring back of material and maximise the loading capacity for operators.

Automatic Bale Ejector

Simplifies removal of bale and ensures safety for all operators.

Bale Trolley

Allows bales to be easily removed from smaller balers and moved around.

Sliding Door

Ideal for applications with space restrictions.

Consumables

We carry a wide range of high quality consumables suitable for all balers.

Galvanised

Hot dipped galvanised finish available across all models.
