**Reynard**  
Health Supplies

## Reynard hand hygiene range offers a variety of on-the-go solutions for anywhere that water and soap are not available.

- ✓ Dries within seconds
- ✓ One-step sanitation
- ✓ Keeps hands moisturised
- ✓ Does not require the use of soap or water
- ✓ Gentle but effective
- ✓ No tacky residue

### Antibacterial Hand Gel

Our hand gels contain 70% alcohol to kill harmful bacteria, while the aloe vera and vitamin E ensures hands are gently refreshed and moisturised, all while maintaining your skin's natural pH balance.

Also available with chlorhexidine digluconate, a chemical antiseptic proven to be effective against a wide range of organisms that also provides longer lasting protection.
