

## Three Section Treatment Table

The SC electric lift Treatment Table makes switching to an electric height adjustable table more affordable than ever before.

The adjustable head section with nose hole can be slightly lowered enabling the prone patient to fully relax the neck muscles giving optimum comfort during treatments.

The adjustable leg rest enables the table to quickly be turned into a chair for when you need your clients in a seated position.

### Features

- Electric Height Adjustment with footswitch
- X-Frame Lift action minimises pinch and crush points
- Table can be moved similar to moving a wheelbarrow
- Durable powder coated rust resistant frame
- High quality anti-microbial vinyl & CFC free foam
- 5 year warranty on frame & electrics
- Australian designed & manufactured

### Specifications
