

Glideabout Commode

Provides a convenient toileting facility when access to toilet is not possible.

- Recess-free castors prevent water trapping
- Heat-sealed vinyl overseat cushion
- Height adjustable plastic footrests
- Sturdy tubular steel frame

Product Features

- Provides a convenient toileting facility when access to toilet is not possible
- 4 swivelling castors with all-round brakes allow positioning close to user for safer transfers and enable transportation and use over toilet
- Recess-free castors prevent water trapping
- Heat-sealed vinyl overseat cushion provides comfort - ideal if used as an occasional indoor portage chair
- Vinyl backrest offers comfy support and is removable tool-free for improved access/tight toilet positioning or storage
- Sturdy tubular steel frame with hard-wearing silver-vein finish ensures stability and longevity
- Soft, wipe-clean polyurethane (PU) armrests offer comfortable support and are quickly removed for lateral transfers
- Height adjustable plastic footrests allow variable support and swing out or quickly release to facilitate transfers
- Plastic blow-moulded removable seat for easier cleaning, increased weight capacity and durability
- Supplied with rear-loading bucket and lid with 5 litre capacity

Aston Shower Commode

A versatile solution for showering and toileting needs.

- Seat is moulded for comfort
- Armrests flip up for side transfers
- Backrest adjusts tool-free
- Simple e-clip height adjustment

Product Features

- Can be used solely as a commode where access to toilet is difficult
- Also assists in transporting users with restricted mobility from toilet to shower, or vice versa, to limit moving and handling transfers
- Self-propelling rear wheel kit available for easy attachment to enable independent use
- Polyurethane (PU) seat, seat-infill, back and armrests are water-impermeable, easy to clean and comfortable
- Bright blue upholstery provides strong colour contrast for visually impaired users
- Seat is moulded for comfort and warmth and has a front cut-away and rear recess to facilitate personal hygiene
- Lightweight, rustproof aluminium frame for ease of manoeuvring/handling and longevity
- Simple e-clip height adjustment to suit different toilet heights
- Tool-free height and angle adjustable footplates accommodate user support requirements
- Footplates swing in/out to facilitate transfers and are easily removable for ease of storage and transportation
- Armrests flip up for side transfers
- Clears standard and disabled WC's for optimum versatility
- Backrest adjusts tool-free in height to suit user and is easily detached/reassembled for storage and transportation
- Supplied with a 5 litre potty with lid, which is easily removable by sliding from rear of seat
- 4 substantial (12.7cm (5")) braked castors, manoeuvre easily over different floor surfaces and can be locked in any direction for improved safety
- Self-propelling wheels are quick-release to facilitate storage and transportation and have 61cm (24") grey, solid and puncture-proof tyres requiring minimum maintenance (self-propel kit sold separately)
- Rust-proof, easy-reach aluminium brakes on self-propelling wheels allow stable positioning and are durable
- Can be cleaned easily in domestic environment or thermally decontaminated in automated washing machines
