

## 2 Tier Trolley With 32 Part Bins 250kg Capacity- 796x440mm

The 250kg 2 tier platform polymer trolley (heavy duty structural plastic) construction makes this workshop trolley and parts bin combination durable enough for moving tools and plenty of parts.

### Features

- Heavy duty plastic construction which resists dents, chips, and rust - virtually maintenance free.
- Built-in storage bin in the handle which is great for storing small parts or tools.
- Sturdy and stable but lightweight making it easy for manoeuvrability.
- Round corners which avoid marking of walls and furniture from sharp edges.
- Rubber Wheels: 2 swivel & 2 fixed rubber castors let you manoeuvre the workshop trolley without marring the floor.
- Comes in a flat pack, easy to assemble.
- Handy part bins that are removable.

### Specifications
