

GET WITH THE STRENGTH ATLAS

**TEN
YEAR
WARRANTY**

ATLAS shelving features a true powder-epoxy over zinc-chromate electro-plating finish and now includes extra anti-corrosion coatings that ensures a strong durable bright silver-coloured finish with a 10 year anti-corrosion warranty*. ATLAS shelving handles high heat and coolroom/freezer/high moisture environments with ease. Now with inbuilt anti-microbial protection for maximum performance.

ATLAS Wire and Plastic Mat shelving now comes with a **Ten Year Warranty*** against rust and corrosion, and is ideal for dry storage, coolers & freezers, and other demanding environments.

All ATLAS shelving is manufactured under strict quality control procedures and manufactured with **anti-microbial protection** to inhibit the growth or spread of bacteria.

The open wire truss reinforced shelves feature front to back welded surface ribs for added strength. This increases light penetration, free air circulation and visibility. Easily adjustable and expandable to change with your needs, kits are available in a wide choice of sizes in 4 or 5 tier configurations. Shelves adjust on 25mm (1") increments. Each shelf has a load bearing capacity up to 200 kg (spread evenly across the shelf). Add-on bays provide maximum access especially with corner units, or extra long walls. Optional castor kits are also available to convert into mobile units.

Efficient corner usage with Add-On Unit feature

*Warranty conditions apply and extends to product only. Assembly/disassembly not included.

ATLAS

**TEN
YEAR
WARRANTY**

ATLAS Plastic Mat shelving features removable polymer composition mats over a sturdy zinc chromate epoxy coated frame for the best in storage for coolrooms and freezers.

Anti-microbial protection is built right into the mat and wire/posts for life-long protection. Easily removed and cleaned, these mats provide a hygienic solution to food storage without having to dismantle shelf units. All ATLAS shelving comes with a 10 Year Warranty* against corrosion.
