

# PROVEN PERFORMER

## Vended Laundry

SFNNXA (front loading washers),  
SDENXA (electric dryer), SDGNXA (gas dryer)

### Front loading washer features

- Improved suspension with new out-of-balance logic
- High spin speed up to 1,200 rpm removes more water from clothes, speeding up drying cycles and lowering dryer energy usage
- Heavy-duty construction
- A pump drain allows our front load washers to be installed adjacent to or replace top load washers with no special plumbing
- Redesigned supply dispenser features four compartments and automatically dispenses as needed for a complete wash

### Dryer features

- Durable galvanized steel cylinder with an extra-large 198 litres of volume
- Efficient dryer heating with 6,300 kCal (gas models) and up to 4,000 Watts (electric models)
- Extended tumble helps eliminate wrinkling
- Quiet, efficient blower system uses a superior airflow of 5100 litres per minute
- 1913.8 sq. cm door opening is the largest in the industry, providing easy loading and unloading for customers

STANDARD STAINLESS STEEL DRUM

LARGE DOOR OPENING

LOW WATER CONSUMPTION

LOW ENERGY CONSUMPTION

COMPACT DESIGN

## Controls

### Quantum™ Gold

In addition to its network capabilities and off-site management features, Quantum™ Gold offers additional owner and customer benefits such as PC programming and machine audit capabilities, as well as time-of-day pricing, a "lucky cycle" for loyal customers and the ability to interface with the store owner's payment systems. Cycle modifier keys create additional profit opportunities for store owners.

Gas models cannot be vented out left side of cabinet because of burner housing.

**IMPORTANT:** The dryer should have sufficient clearance around it for needed ventilation and for the ease of installation and servicing. For maximum drying performance, we recommend that more clearance be allowed around the dryer than the clearances that are listed here.

All measurements are in mm. \*With levelling legs turned into base.

NOTE: Exhaust openings are 102 mm metal ducting.
