SCOTSMAN MODULAR ICE MACHINE NW 307 AS OX

Product Code: 4032015

Product Description: The Scotsman Modular Ice Machine is a modular vertical evaporator ice machine that combines quality and performance. Made with the highest quality materials and the latest technology, the Scotsman Modular utilizes a modern design that offers many features including Agion Technology, which keeps the microbe's growth and odours development at bay to produce pure, clear and transparent ice cubes. These compact machines are designed for high efficiency and low maintenance by incorporating T304 grade stainless steel exterior, auto-alert indicator lights for easy-to-see operation status and maintenance information, as well as one-touch button for easy cleaning.
