VERSIGEN FOOD WARMER FTG2

Product Code: 4003006

Product Description:

The Versigen Food Warmer FTG2 is a commercial-grade food warming unit typically used in the food service industry to keep cooked food at a safe and consistent temperature until it is ready to be served. The FTG2 model is a countertop unit that features a stainless steel exterior and interior, as well as two warming zones with independent thermostatic controls.

The unit is designed to hold two full-size (1/1) gastronorm pans or a combination of smaller pans, and it uses a dry-heat system to maintain the desired temperature. The temperature range of the FTG2 can be adjusted between 30°C to 110°C, making it suitable for a wide range of hot food items.
