

9KG LARGE CAPACITY DRYERS

MDE20 AND MDG20

TURBOVENT® SYSTEM

- A high-speed blower wheel optimizes performance in long vents
- High airflow helps reduce drying times for a wide variety of loads
- Helps to increase efficiency and increase the life of the machine

CONTROLS TO MEET YOUR NEEDS

- Mechanical controls provide a simple user interface with robust, easy-to-use knobs
- Get flexibility and individual cycle pricing options for optimal earnings through Intelligent Controls with M-Series Technology, while end users can easily choose their preferred wash experience with one-touch cycle selection

LARGE CAPACITY

- 9kg capacity dryer helps allow for large loads to be dried efficiently and effectively
- Delivers an optimal drying experience for users and helps maximize productivity

BUILT TO LAST

- Porcelain enamel top — a durable finish that stands up to the demands of high-traffic
- Full wrap console — designed to help protect the internal components
- Front-panel accessibility — provides fast entry to internal components for streamlined self-service
- Extra-large reversible door — provides users unhindered access while loading and unloading

CARD READER COMPATIBLE

- Order your new washer as Card Only to prevent vandalism and increase safety on site.
- Never have to worry about where the gold coins from your laundry end up with real time reporting and payment deposited straight into your nominated bank account.
