# Activ Care

## Ultra Low Adjustable Bed

Function & Style Support

### Supporting the modern, independent lifestyle.

The Activ Care bed combines the best of in-home care, functionality, positioning and low height safety with luxurious and contemporary style for enhanced comfort, care and wellbeing.

#### Features

- **Ultra Low Height:** Minimum platform height of 195mm reduces falls risk, improving user safety.
- **Customisable Safe Entry/Exit Height:** Programmable single button press ensures perfect bed height to maximise independence.
- **Underbed Clearance:** Provides clear access for patient lifters and overbed tables.
- **Battery Backup:** Provides confidence and maintains independence during power outages.
- **Night Assist:** Luminous underbed halo for safe entry and exit.
- **Illuminated Handset:** Large button interface is intuitive and highly visible at all times.
- **Massage:** Relaxing vibration modes for personalised neck, shoulder and back relief.

### Functions

**Hi-Lo Functionality:** Assists with manual handling and helps to mitigate fall risks.

**Head Tilt:** Relaxes neck muscles, providing optimal support whilst reading or watching TV.

**Back Raise:** Improves postural support and can ease symptoms of reflux, respiratory conditions, snoring and sleep apnoea.

**Auto-Regression in the Backrest:** Stops the user sliding down the bed during movement while improving comfort and maximising pressure redistribution.

**Clinical Positioning:** One touch raises back and legs to alleviate cardiac exertion, improving resting comfort.

**Leg Raise:** Promotes circulation, relieving tired, swollen, fatigued or painful limbs.

**Memory Function:** Allows the user to set and return to their preferred position at any time with one click of a button.

**Zero Gravity:** Helps to relax the circulatory system and muscles of the lower back.

**Seated Position:** Assists with bed entry and exit and upright dining.

**Trendelenburg (and Reverse):** Can assist care givers when repositioning a user\*.

**Lockable Castors:** Eight heavy duty dual castors.

### Upholstery

Portobello Grey

### Sizes (Length x Width x Height Range)

ZERO GRAVITY

SEATED

TRENDELENBURG

### For comfort you deserve.

The Care adjustable bed blends seamlessly into the home without compromising on the therapeutic needs of the user or safety of partners or carers. Select from multiple position options designed to maximise independent mobility and improve sleep quality.

### Features

- **Night Assist:** Luminous underbed halo for safe entry and exit throughout the night.
- **Illuminated Handset:** Large button interface is intuitive and highly visible at all times.
- **Enclosed Frame Design:** Ensures optimal positioning when getting into bed and safely covers the moving base platform.
- **Safe-Lowering Technology:** Ensures that back, leg and Hi-Lo functions only lower under the force of gravity, reducing potential for accidents or injuries.
- **Box-on-Box Design:** Facilitates easier entry and exit and allows true flush positioning of beds in companion or dual adjustable bed configurations.

### Functions

**Hi-Lo Functionality:** Assists with manual handling and helps to mitigate fall risks.

**Back Raise:** Improves postural support and can ease symptoms of reflux, respiratory conditions, snoring and sleep apnoea.

**Clinical Positioning:** Raises back and legs to alleviate cardiac exertion, improving resting comfort.

**Lockable Castors:** Four heavy duty castors.

**Leg Raise:** Promotes circulation, relieving tired, swollen, fatigued or painful limbs.

**Zero Gravity:** Helps to relax the circulatory system and muscles of the lower back.

**Seated Position:** Assists with bed entry and exit and upright dining.

**Trendelenburg (and Reverse):** Can assist care givers when repositioning a user\*.

# Relax

## Fixed Height Adjustable Bed

Function & Style Support

### Supporting the modern, independent lifestyle.

The Relax Bed has a fixed base and combines luxurious finishes with multiple positioning and therapeutic functions to support users and carers alike.

#### Features

- **Night Assist:** Luminous underbed halo for safe entry and exit throughout the night.
- **Massage:** Relaxing vibration modes for personalised neck, shoulder and back relief.
- **Press & Hold Safety Handset:** Intuitive, large button interface enhances usability.
- **Box-on-Box Design:** Facilitates easier entry and exit, allowing true flush positioning of beds in companion or dual adjustable bed configurations.
- **German Engineered Motors:** For smooth, quiet adjustment.
- **Personalised Positioning:** Hand control allows users to find their perfect position to maximise comfort and relaxation.
- **USB Charge:** Connect and charge your devices conveniently.

### Functions

**Head Tilt:** Relaxes neck muscles, providing optimal support whilst reading or watching TV.

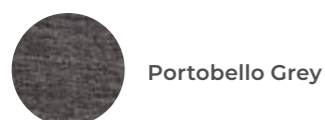

**Back Raise:** Improves postural support and can ease symptoms of reflux, respiratory conditions, snoring and sleep apnoea.

**Leg Raise:** Promotes circulation, relieving tired, swollen and/or painful limbs.

**Zero Gravity:** Helps to relax the circulatory system and muscles of the lower back.

**Memory Function:** Allows the user to set and return to their preferred positions at any time with one click of a button.

# Mattresses

## Engineered for Motion

Our ComfiMotion Pocket Spring and Memory Foam mattresses are designed with the flexibility to follow the contouring profile of an adjustable bed.

### Pocket Spring

The ComfiMotion Pocket Spring mattress offers zoned support springs that respond and contour to the individual body shape to improve comfort, maximising support and sleep quality.

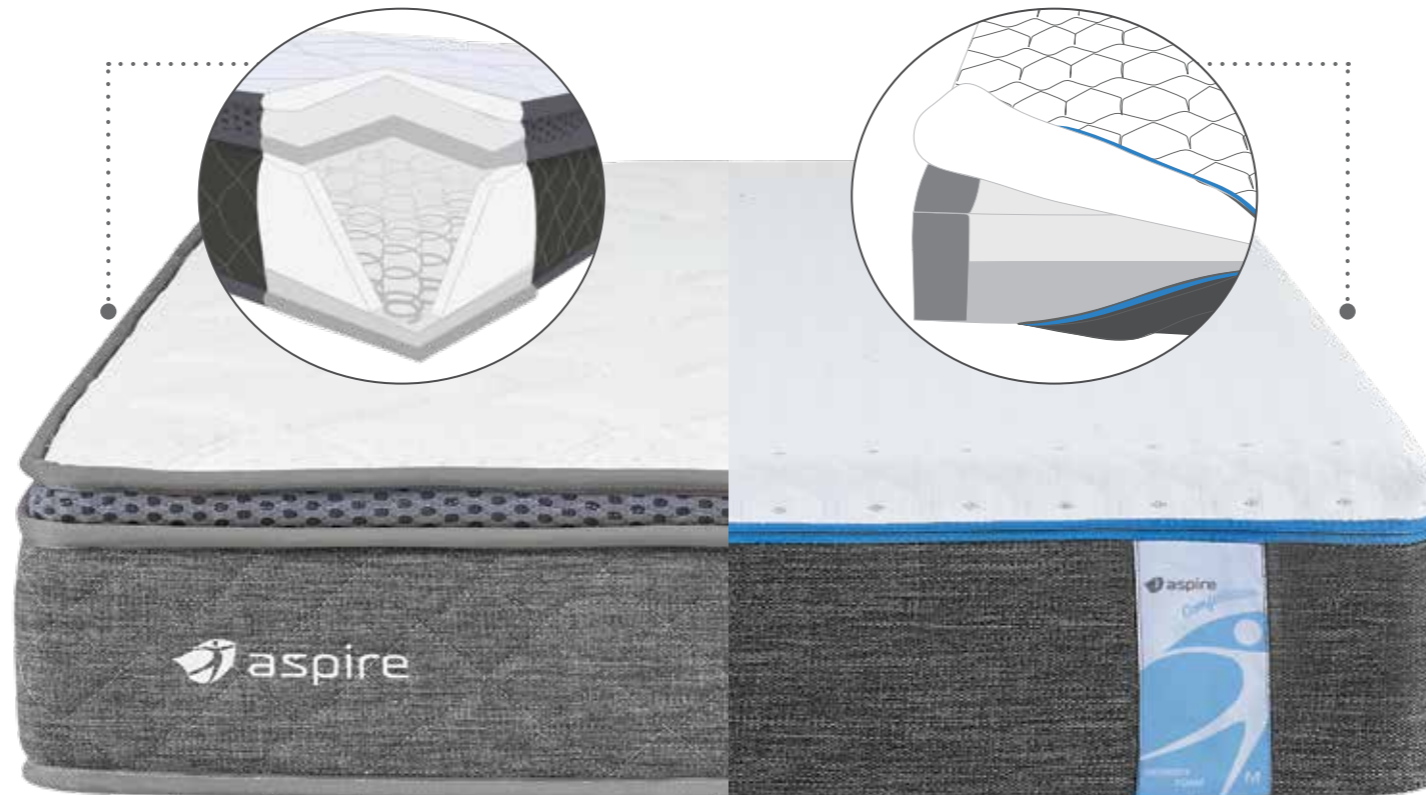

**Transitional Layered Pocket Springs** arranged in weight activated support zones.

**Integrated Side-Walls** create roll resistance at the bed edge and provide extra rigidity to ease bed entry and exit.

**Luxuriously Soft Pillowtop Layer** provides a plush immersive feeling complimented by the responsive pocket springs.

▲ Pocket Spring Mattress

▲ Classic Memory Foam Mattress

### Classic & Pressure Care

The ComfiMotion Classic and Pressure Care are memory foam mattresses that contour to the user's body, providing personalised comfort and transitional pressure relief. Integrated side-walls increase roll resistance at the bed edge and assist users, partners or carers with extra rigidity to ease bed entry and exit.

**Contoured Immersion:** Specially layered memory foam provides contoured immersion for support and pressure relief.

**Superior Breathability:** Up to 8x more breathable than conventional memory foams.

**Anti-microbial:** Environmentally safe treatment is added to the foam which reduces odours and kills 99.9% of bacteria.

**4-Ways Stretch**  
Pressure Care Incontinence Cover Pressure Care mattress cover is breathable, 4-way stretch and waterproof for incontinence.

**Integrated Side-Walls** create roll resistance at the bed edge and provide extra rigidity to ease bed entry and exit.

### Pocket Spring

## Clinical Considerations

**Accessibility and Inclusivity:** Unexposed bed surround with padded upholstery removes gaps between beds in co-sleeping arrangements and promotes safe entry and exit.

**User Independence:** Height adjustability improves user mobility and assists carers with manual handling.

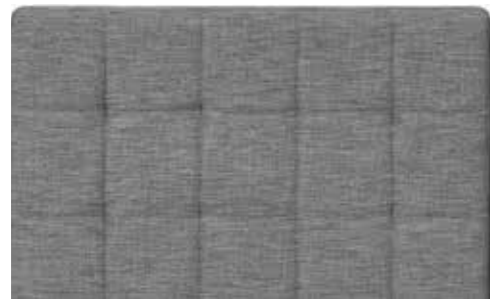

**Flexible Positioning:** Caters to various user requirements such as respiratory conditions, snoring, sleep apnoea, pressure redistribution, joint or muscle pain, lymphoedema and swelling.

**Vision and Hand Function:** Handset with a clear and intuitive button display, assists users with reduced vision or hand function.

**Falls Prevention:** Integrated bed lighting and a minimum platform height of 195mm (Activ Care) and 280mm (Care and Relax) helps to reduce the likelihood and severity of falls in the home.

**User Safety:** Battery backup provides peace of mind in the event of a power outage (Standard on Activ Care, optional accessory on Care).

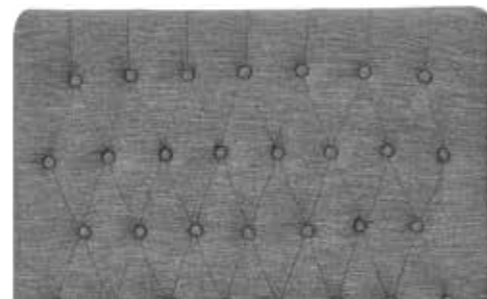

## Headboards
