

66cm Ride On Battery Scrubber

190442 - Columbus ARA 66 BM 70

- This ride-on scrubber can perform efficient operations in hospitals, supermarkets and other small buildings even in cramped and heavily furnished areas.
- An extremely small turning circle of just 1.65 m.
- Fast, easy and hygienic changing of brushes and pad holders.
- Fresh water can be filled up in an instant with integrated, industry standard system connector or the large filling opening.
- HACCP hygiene standards.
- Robust mechanics instead of electronics.
- Powerful traction motor and rear wheel drive allow for scrubbing on inclines of up to 12%.
- Central seat position for better visibility when cleaning beside edges.
