

WARNING TRIANGLE

WARNING TRIANGLE

The heavy-duty container includes 3 high-quality safety triangles designed to international standards of reflectivity, stability and operating markings.

Triangles come in a double moulded hard-wearing portable plastic carrying case. No tools are required for setup - perfect for emergencies and breakdowns.

- Non-skid rubber feet Keep the triangle in place in high wind and passing traffic.
- Placement instructions are Permanently printed on the case and triangle.
- Precision retro tooling Provides reflectors with high reflective capability for night use. Fluorescent inner triangle warns daytime traffic.
- Weighted base for stability in high winds.
- No tools are required to set up.
