RED CURTAIN LIGHT

Part #: CL412RC

RED CURTAIN LIGHT

These Red Curtain Lights are designed to project a red beam of light on the ground to warn pedestrians of the movements of the forklift. They are ideal for warehouses and are a simple way to increase employee safety by ensuring fork lifts always remain visible.

DESCRIPTION

- Working Temperature:-25 C to 75 C
- Current Draw @ 12 VDC: 1A
- 3250 Lumen/m @12V
- Diecast Aluminium Housing
- Reverse Polarity & Voltage Spike Protected
- 2 Year Warranty
