

# i-mop XL

Revolutionary scrubber dryer

- The first of its kind, the i-mop solves the problems of floor cleaning systems by combining the flexibility of a floor mop with the power and speed of industrial scrubber driers.
- With over 350 RPM and 22 kg of brush pressure, the i-mop XL cleans efficiently and thoroughly and is 8 times faster than conventional mopping.
- Applications include timber, vinyl, tiles, natural stone, concrete and more.
- Can be used with the i-dose tank.
