

CONQUEST SDS85

RIDE-ON POWER SCRUBBER

PRODUCTIVITY & COMFORT

Providing 40% greater efficiency than a walk-behind scrubber, the SDS85 is a powerful solution to clean large areas with the utmost ease.

Not only efficient, SDS85 is ideal for food grade applications and corrosive prone environments thanks to strong stainless steel components, including the scrub deck and parts of the exposed squeegee assembly. For a scrubber uniquely suited to the floor cleaning challenges of Industrial and Commercial spaces alike, look no further than the SDS85. It has it all.

SDS85

The SDS85 ride-on floor scrubber delivers a unique combination of quality, efficiency and productivity.

Features & Benefits

- Clever vacuum muffler allows the SDS85 to achieve a low 70dBA while thoroughly drying the floor.
- 7-ga stainless steel frame replacing the plastic frames found on traditional machines, will not warp or break over time.
- Stainless steel components such as scrub deck and fasteners are resistant to corrosion caused by chemicals and harsh operating environments, reducing potential maintenance costs and prolonging life of machine.
- 36V battery system delivers 50% more power than comparable machines.
- Wash down spray wand for hard to reach areas.
- Manager lock outs to avoid troublesome changes to solution flows and brush pressure by unauthorised staff.
- Tilt back tank provides instant access to all drive and working components for east maintenance.
- Available with disk (TD) or cylindrical (TC) brushes. The cylindrical brushes are ideal for rough surfaces and allow you to sweep while you scrub.

Technical Specifications

	SDS85E-D	SDS85E-C
Cleaning Width	864mm scrub path	838mm scrub path
Solution Tank Capacity	125L	125L
Recovery Tank Capacity	136L	136L
Scrub Head Motor	2 x 0.75HP	2 x 0.75HP
Brush Speed	300RPM	825RPM
Brush Pressure	0 – 91Kg	0 – 91Kg
Power Supply	36V, 360 Ah deep cycle batteries	36V, 360 Ah deep cycle batteries
Battery Charger	Automatic battery charger	Automatic battery charger
Weight	601Kg	601Kg
Machine Dimensions	1626 (L) X 864 (W) x 1422 (H)mm	1626 (L) X 864 (W) x 1422 (H)mm
