

MP-24 Reference Air Pump

Stock No 15039

DC powered brushless diaphragm air pump designed to provide continuous airflow of approximately 0.5 litres per minute.

Recommended operating voltage of 4.5 – 5.5 VDC

Specifications

Voltage DC	3V	4V	5V	6V
Current - no load	90mA	100mA	105mA	115mA
Current - full load	120mA	145mA	150mA	165mA
Current - stalled	155mA	160mA	200mA	310mA
Max Flow Rate (cc/min)	275	475	700	900

Load	Air
Operating Temperature	5 - 55°C
Dimensions	62 x 52 x 44 mm
Mass	78g
Outlet Port	4.2mm OD

Dimensions and Mounting
