

# Uni-trailer

Low loading height, aluminum sides, removable corner and center posts, 90 cm rear ramp, hydraulic tip

[ Model shown 3500 U5 ]

## Powerful and universal trailer series

Large trailer series with hydraulic tip and strong rear ramp

Hydraulically tilt-able and heavy 90 cm driving ramp included in this multi-use trailer series.

All models are 210 cm wide, with inner lashing eyes for the fastening of goods and machines.

30 cm high aluminum sides, with hot galvanized removable corner posts.

The trailer is available in 3 lengths - 420 cm, 520 cm and 620 cm.

At length 520 cm and 620 cm, the drop-sides are 2-part, and the center post is removable.

Gross weight up to 3,500 kg and option for 2 or 3 axles.

### VARIANT

Fully welded and hot-dip galvanized  
Width 210 cm

See pictures and benefits by default and extra accessories on the next pages.
