

Kiosk Diamond 22L

Designed with a unique mix of stylish curves and smooth, multi-touch functionality, the Diamond 22L is a superb kiosk. The edgy look with the full high definition wide screen display makes it perfect for retail, showrooms, restaurants, information centres, lobbies and site offices.

Robust Full HD Multi-Touch Display

Full HD 22" touch screen utilises touch technology with 10 simultaneous touch points. The touch monitor is commercial quality which allows for extended 24/7 use and extreme reliability. The display is protected with scratch resistant robust glass.

Boasting an in-built PC Intel® Core™ i5 processor, 8GB RAM, 64GB SSD, LAN, pre-loaded Windows 7 PRO.

The Diamond 22L's sleek design redefines the modern kiosk with its timeless good looks. Steel enclosure powder coated classic white colour with a sturdy base.
