**The Original Privacy Screen**

*3 easy and important facts to consider when comparing privacy screen systems*

The Easy Concept consists of our three trademarks: EasyClean™ EasyReturn™ and EasyClick™.

Privacy Screens  
**Photo Panels**

**1. EasyClean**

Optimises infection prevention

All surfaces are smooth and easy to reach.

The One Touch Point Handle can instantly be cleaned when needed.

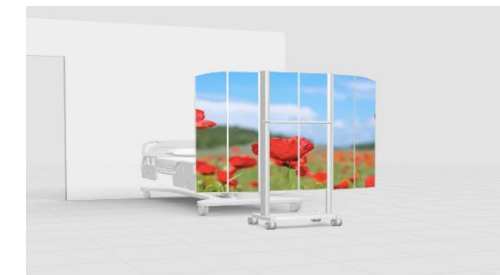

**2. EasyReturn**

Quick and easy to fold back

**3. EasyClick**

Simple to connect and combine our screens

**Easy, reliable and flexible**

Our Silentia Folding Screen, invented in 1990, is the essential piece of the Silentia Screen System. It's accordion design and hard surface make it ideal in any care setting supporting patient privacy and most importantly, instant cleaning.
