

# Materials Handling Crates

## AP4, AP4D, 7, 10 & 15 - Plastic Crates (13.5, 22, 32, 52 & 68 litre capacity)

AP4 crates are a light weight, multi purpose companion for storage needs.

AP7, 10 & 15 crates have distinguished themselves as one of the most popular and widely used in Australia. The ability to stack and nest suits a wide selection of industries - meat trades, smallgoods manufacture, poultry, fish, materials handling, engineering, automotive, warehousing and distribution.

- Made from tough, durable food grade polypropylene.
- Colours: White, Red, Blue, Black, Natural & Grey.
