PF Series Features

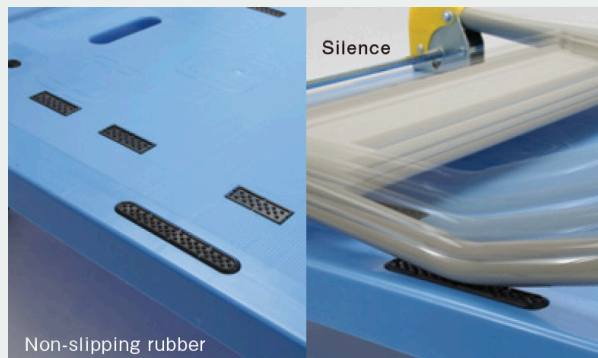

Pursued platform for safety and easiness.

Hand Truck has standard equipment for easy carrying with 2 hand places and 10 big non-slipping plugs on the platform. Safety was also improved with round shaping corners.

Non-slipping plugs & Silent cushion.

Noise reduction is made possible with non-slipping plugs on the platform when you have the handle folded down.

Intensity enhancement with reinforced pipes.

Intensity enhancement and weight saving has come true by inserting 2 reinforced pipes into the platform.
