Product code: MPCA040208

Easy to fit

- Fits into a bath by securing the base board suction cups firmly to the bath
- Elevates and lowers the child at the touch of a button
- Adjustable backrest and seat
- Adjustable pommel available

Safe to use

- Holds the child securely in the seat during the transfer into and out of the bath
- Includes side rails and leg straps for additional safety
- Fully waterproof hand control (IP67)
- Battery operated – no electric cables

Simple to maintain

- Can be removed and cleaned with ease
- Rinse with clean water after each bath and leave it to dry inflated

Improves wellbeing

- Perfect for parents and carers who struggle to lift a child into and out of the bath
- Bath time is a fun part of the day for both child and parent
- Lowers the child right to the bottom of the bath so they are completely covered in water and benefit from the therapeutic properties of bathing
- Remove from the bath when not in use to enable a more flexible environment for shared bathrooms
