Description

The 7500 kg JCB 940 rough terrain forklift is powered by our highly efficient 55 kW Dieselmix engine and has a 4000 kg lift capacity.

It has several mast options ranging from 3.6 to 6.7 m so you can tailor your 940 rough terrain forklift to the perfect lift height.

What's more, JCB's Synchro Shuttle transmission gives fast, smooth directional changes and a sideshift feature means you can accurately place materials on scaffolding.
