- Small footprint

The Mil-tec 2101 Air-Powered (Pneumatic) Can Crusher crushes and compacts tins, cans, drums and buckets up to 30L, reducing volume by 90%, saving you time, space and money

Many tins and cans contain hazardous waste such as oil or paint, the removal of which can be very expensive. The Mil-tec 2101 Can Crusher reduces the volume of these by up to 90%, allowing you to reduce the number of waste bins, the number of lifts required and to reduce your costs by up to 80%.

Containing no electrical parts, the small size, heavy-duty Mil-tec 2101 Can Crusher is both easy to maintain and easy to clean.
