

Kubota L2201DT

SOTA REMANUFACTURED KUBOTA

VERSATILE SMALL FARM TRACTOR

The Kubota L2201DT is a remanufactured 25hp, 4WD diesel tractor, suitable for everything from estate maintenance, commercial landscaping, to small acreage farming. It is equipped with a brand new, purpose-built front-end loader with a 4 in 1 bucket, which is ideal for applications such as stables, stud farms and small scale operations from boutique vineyards to public property managers.

ALL-ROUNDER

The Kubota L2201DT supports a broad range of three point linkage attachments, such as backhoes, slashers and rotary hoes, and is a great little tractor for cleaning up around the farm!

FULLY SUPPORTED

The L2201DT is a **fully supported tractor**. It is backed by SOTA's famous customer service and renowned after-sales support. We have sold thousands of these small, compact Kubota tractors and loaders throughout Australia and we support the models that we import with a full complement of spare parts, on the shelf plus a written warranty for peace of mind.

The L2201DT comes with a standard 3 month warranty, which includes **all parts, labour, freight and travel costs**. An optional 15 month warranty extension is also available.
