

## Heavy Duty Lockit P Clamps With Steel Mounting Tab

Available in three different sizes to accommodate a variety of cables ranging from 38 - 76 mm in diameter.

- Unique design allows for installation of Heavy Duty Lockit P Clamps to be independent of cable installation.
- Release feature allows for serviceability or field maintenance.
- Inner diameter ribs offer some axial retention.
- Steel mounting tab provides reliable, long-lasting hold in harsh environments typical in solar array fields.
