QUALITY GERMAN ENGINEERING

FLOOR SCRUBBERS

55cm Battery Traction Scrubber

190737 - Columbus RA 55 BM 40

- Easy to operate without interruption of the working times with rugged mechanics instead of electronics: two functional switches on the handlebar, mechanical lowering of brush and squeegee tool.
- Infinite dosage: the right amount of fresh water for any application.
- Hygienic according to HACCP standards: the scrubber dryer features a removable recovery tank with an easy to replace cover gasket for thorough cleaning and disinfection – the only one in its class. Excess water can be drained completely.
- Easy to read fresh water level indicator integrated into the drain hose. Standard splash guard for the brush head. Reduces water and chemical consumption and is eco-friendly.
- Innovative lateral bumper rollers protect machine and other objects.
- Intuitive, fatigue-free and safe working: height adjustable handle bar, easy to operate control panel with ergonomic rocker function for back and forward movements.
- Service-friendly: easy maintenance with open access to battery and components.
