

DUALQUAT DECLARATION

Vendor name: Integra Water Treatment Solutions

Vendor address: Unit B/ 195 Port Hacking Road, Miranda, NSW, 2228.

Vendor telephone No.: 02 9574 0000

Manufacturer of Hazardous Substance: Integra Water Treatment Solutions

Name of Hazardous Substance: Dualquat

Intended use:

Dualquat is a broad spectrum sanitiser, when used correctly is effective against bacteria, fungi and viruses.

Furthermore, as can be seen below with test results, it's main active ingredient can be effective against reducing the Novel coronavirus (SARS-CoV-2), the cause of COVID-19. The below test results confirm reduction of the virus, when used at an active 450 ppm.

Organism	Source of Virus or ATCC#	Host System; Cytopathic Effect	Contact Time	Dilution	Replicates	Results Log 10 Reduction
SARS	SARS Associated Coronavirus Strain 200300592	Vero E6 cells	10 Min.	450 ppm	3	> 3.0

Reference: Active ingredient tested against EPA guidelines.

This declaration is rendered invalid by:

1. Any change in the formulation of the following substance,
2. Any change in the instructions for use in the following substance,
3. Any incorrect and/or unintended use of the following substance.
