

## Industrial Reel Drum Stand Single 680kg Capacity

Simplify your cable handling with our **Industrial Reel Cable Drum Stand**, designed for smooth, safe, and efficient unwinding of cable coils. Built for strength and reliability, this durable stand is ideal for workshops, electricians, and industrial environments where precision and ease of use matter most.

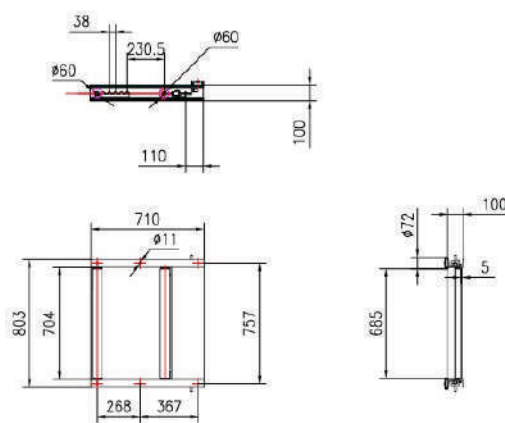

### Features

- **Effortless Cable Dispensing:** Easily unwind cable directly from the coil using this sturdy drum stand.
- **Adjustable Rollers:** Six loading roller positions accommodate different cable coil diameters.
- **Strong Load Capacity:** Heavy-duty construction supports up to 680kg.
- **Quick Setup:** Side guide rollers make loading and unloading fast and hassle-free.
- **Secure Operation:** Spring-loaded roller brake for controlled cable handling.
- **Single Coil Support:** Designed to hold one cable coil (cable not included).
