Ambient/Cold

2.0
L/h (Cold)

KEY FEATURES

- 2.0L/h cold water output
- Durable polypropylene, colour-coded, self-closing taps
- Food-grade, stainless steel water contact tubes
- Easy-to-clean, removable drip tray
- 12 month standard warranty and 36 month compressor warranty
- Full range of replacement parts

Harmony is the perfect choice for low-volume applications, dispensing 2L/H of cold. The cooler is created from high quality materials including food-grade and stainless-steel water contact tubes. The durable build means you can expect reliable operation for years to come including 12 months standard warranty and an additional 24 months on the refrigeration circuit. All water coolers offer a full range of replacement parts, local service and support to keep your cooler running for longer.

Aqua Cooler water coolers are manufactured from the highest quality components supplied from the industry's leading suppliers and designed to run efficiently with low maintenance.
