

Pacific Load Rollers

Move 2 to 24 tonnes and still protect your floors with the Pacific Load Roller Range.

Superior design with nylon wheels to provide added protection to flooring, the Pacific Load Rollers are designed with quality and functionality in mind.

This unique low profile range comes in various models and capacities, offering a choice of swivel or fixed design.

Features

- Nylon wheels with sealed bearings for increased durability.
- Non slip rubber grip surfaces to assist the prevention of load movement.

www.pacifichoists.com.au

Applications

Nylon wheels glide easily while protecting surface.

Various models available to suit your application.
