39-90mm

simply

 **SIMPLY
STAINLESS**

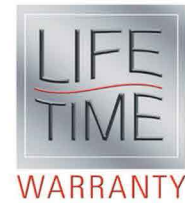

the highest
quality

How do you recognise quality in a modular
benching system?

- The “stability test” and the “knock test”.
- Close tolerance CNC engineering
- Highest quality TIG welding and professional finish
- Fully-welded sinks with uniformity of gauge thickness throughout and 3mm backing bench tops

Our confidence in Simply Stainless quality is backed by our Lifetime Warranty. See website for details.
