

Hydraulic Double Scissor Lift Table

350kg Capacity / 1.3m Lift

The MTT35 Hydraulic Lift Table is designed with ergonomics and safety in mind, helping reduce strain and fatigue from repetitive lifting tasks. With a maximum lift height of **1300mm** (waist height), it's ideal for lifting goods to a comfortable working level in warehouses, workshops, and processing stations.

A foot-operated hydraulic pump provides easy lifting control, while a hand-operated release lever ensures smooth, controlled lowering. The unit is fitted with durable, lockable urethane castors for mobility and stability — perfect for delicate flooring like tiles or timber.

Features

- **Precision Hydraulic Foot Pump** – Easily lifts loads to the desired height.
- **1300mm Max Lift Height** – Reduces the need for bending or awkward lifting.
- **Hand Release Lever** – Allows safe and smooth lowering of the table.
- **Rear Braking System** – Ensures stability during loading or unloading.
- **Overload Bypass Valve** – Prevents accidental overloading of the lift.
- **Lockable Swivel Urethane Castors** – With toe guards for safety and mobility.
- **Powder-Coated Safety Yellow Finish** – For visibility and added durability.
- **Polyurethane Wheels** – Safe for delicate surfaces like tiles, marble, or floorboards.

⚠ Note: For lifting goods/products only. Not suitable for lifting people.

Specifications

Model		MTT35
Capacity	(kg)	350
Min. Table Height	(mm)	355
Max. Table Height	(mm)	1300
Table Dimensions	(mm)	910x500x53
Castor Wheel Size	(mm)	Ø125x40
Handle Height	(mm)	975 (from ground level)
Foot Pumps to Max Height		53 strokes
Net Weight	(kg)	105

Mitaco stocks a range of **spare parts** for all our lift tables, including this model. From wheels to hydraulic components, we've got you covered.

Mitaco has national sales and distribution capabilities, our sales office and warehouse is located in Brisbane. Large inventory holdings enable fast-track dispatch of stock orders. This combined with an easy to use online ordering system makes the delivery of stocked products simple, fast and reliable.
