

"The table is perfect and I am really happy with the quality, material and colour. Your company made the whole process incredibly simple and efficient and delivered on time."

CAROLYN AUSTIN

## Pro-Lift Echo SB

Designed in conjunction with Radiologists this entry-level echocardiography table features a 680mm manually adjustable backrest with a hinged cardiac section in the main body section which easily stows away with a convenient magnetic lock, for fast unobtrusive imaging access.

SELECT FROM OVER 30 COLOURS AND FABRIC CHOICES INCLUDING POLYURETHANE (PU), VINYL (PVC) AND GENUINE ITALIAN LEATHER:

## PRODUCT INFORMATION

### OPTIONAL MOTORISED BACKREST

Reduce practitioner injury with a convenient motorised backrest for fast and effortless patient positioning.

### ECHO FILL-IN PAD

The echo fill-in pad conveniently stows away with a magnetic catch for unobstructed imaging. The echo fill-in pad is 260mm long and 180mm wide.

### OPTIONAL PATIENT SAFETY RAILS

Order safety rails on one or both sides of the table. Easy to fit and remove, safety rails provide additional safety during examinations or procedures.

### TABLE WIDTH

Select from two table width options to suit your practice. The narrower 660mm width options allow easier practitioner access while the luxurious 710mm width option improves patient comfort and stability.

### FOAM OPTIONS

Choose between three Dunlop® cushioning systems ranging from premium Enduro® long-lasting medium finish foam to luxurious Viscoflex® slow release memory foam. We have the right foam system to suit you.

### BASE STYLE

Standard with 75mm lockable castors for easy manoeuvrability. Also available with hospital-grade 100mm lockable castors. All wheels feature TPE rubber compound tread to protect your floors.
