TURBOFAN CONVECTION OVEN HALF SIZE 5 TRAY E33D5

Product Code: 4051100

Product Description: Ideal for baking small batches of treats like cookies and pizzas, the Moffat Turbofan single deck half-size electric convection oven with steam injection is a game-changer for your kitchen. It boosts your cooking capacity without taking up too much space, thanks to its compact 24" width. You can place it directly on your countertop or attach it to a separate stand (sold separately). It can hold 5 full-size sheet pans, making the most of your cooking area.

This convection oven packs a punch with 5.8 kW of heating power and a 2-speed fan system that evenly distributes heat throughout. The large digital display makes it easy to see the temperature and remaining time on the timer. You can adjust the temperature from 120 to 500 degrees Fahrenheit for precise cooking, and it can store up to 20 programs to save your favourite recipes. With 3-stage cooking and alarms, you'll always know when your food is ready.
