

## Designed to deliver continuous high-performance cleaning

The Viper AS5160T is a highly productive walk-behind scrubber dryer with battery endurance and tank capacity to clean for hours. Being easy and comfortable to use with the ergonomic design, this robust machine is ready for an in-depth performance on indoor surfaces.

Ideal for cleaning in hotels and restaurants, bus and train stations, factories, supermarkets, shopping malls, hospitals, schools, and other public areas.

With a working width of 51 cm and a powerful 450 W brush motor, this machine will get the job done with speed and ease. Equipped with a 150 W Traction drive motor. Hours of non-stop cleaning are ensured by the 61 litre capacity of both water tank and recovery tank – and the power packed 2x12 Volt batteries.

The machine is well-balanced and easy to manoeuvre thanks to the big wheels and strong casters. Hour meter and water level indicator will keep you updated, and the speed reducing gear drive system ensure smooth operation with a minimum of effort. When it's time to empty, refill and clean the scrubber dryers, all handling can easily be carried out, saving time and costs.

Picture shown may not represent model quoted

- Easy to manoeuvre and transport:
- Big wheels and strong casters, make the machine well-balanced
- Easy and convenient operation: 2 safety switches
- Control panel with intuitive display and buttons
- Productive: Working width 51 cm
- Brush and pad driver can be installed/un-installed automatically
- Hour meter: Check how many hours the machine has been running
- Water level indicator with volume visible on the tank
- High capacity for increased productivity: 61-litre water tank/ 61-litre recovery tank
- Robust and solid: Steady chassis system and rotationally molded tanks
- Reliable: Heavy duty 79 cm aluminum squeegee
- Accessories: Brush, pad holder, batteries 12V x2 and onboard charger
- Optional brush skirt kit prevents the machine from splashing water
- 150W drive motor
