Electric start, Hire-pack, diesel generator.

This Crommelins generator diesel 6.0kw (max.) output with hire-pack and electric start. Featuring six wheels for manoeuvrability on-site, it also includes a low maintenance Kohler diesel engine and suits larger jobs powering tools and equipment.

Electric start allows an operator the simplicity of turning a key to start the generator. Hire-pack includes IP66 weatherproof outlets with RCD protection, six wheels, lifting bar/hook, and also transport handles.

This unit is site safe* and is ideal for hire, construction and worksites. It features a reliable diesel Yanmar engine, Sincro brushless alternator all built into a 32mm Australian fabricated heavy-duty steel frame. Assembled and tested in our Australian factory.

A hard-working, long life generator, it is built to work in rough conditions. It also has a two-year manufacturer's warranty. Customization options include; mine-specification and also fleet
