Plinth Medical - 502 Electric Change Table with Fold Down Cot Sides

ELECTRIC CHANGE TABLE

Designed to aid changing procedures in schools and at home both for adults and children with various disabilities, these variable height changing tables reduce back strain for staff, helpers and parents when carrying out such procedures.

Strong, stable platform with hoist access and fitted with fold-down cot sides.

KEY BENEFITS

- Electric height operation
- Fitted with fold-down side supports with the option of upgrading to padded side supports
- Retractable wheel system provides easy movement and table positioning
- Low patient transfer height of 47cm (18")
- 130mm clearance beneath frame for mobile hoist
- Choice of table lengths to suit both children or adults

German Manufactured Actuator Motors

- Lifetime frame guarantee
- 5 year parts guarantee
- 16 years average lifespan
