

01.03 KT3 order picking trolley

The all-round talent

> *System design with individual structure*

> *Versatile equipment*

> *Load capacity up to 300 kg*

KT3 Basic model with accessories
Dimensions (mm): L 900 x W 467 x H 1,630

Standard equipment: Chassis made of square tubing with welded bottom tray. Side panels made of square tube frame with wire grate, inserted into chassis and screwed into place. Shelves can be screwed in at height increments of 100 mm.

Castors: 4 Wanzl swivel castors, Ø 125 mm, rubber tread.

Optional: 5th castor Ø 125 mm, fitted in the centre for easy manoeuvrability. The order picking trolley can turn on the spot.

Finish: High-gloss galvanised and chrome-plated.

Technical specifications:

Length (mm)	900	1,297	1,713
Total load capacity (kg)			
Basic model with rear panel	200	300	300
Basic model without rear panel	100	150	150
Load capacity per shelf (kg)	75	75	75

01.03 KT3 order picking trolley

Wide range of accessories

■ **The KT3 order picking trolley is the basis for many picking jobs.** The optional fifth castor makes it particularly agile and easy to manoeuvre. Whether handle, writing board or wire tray, wire or wooden shelves, you are always best equipped with the KT3.

KT3 as a table trolley with height of 1,230 mm
Dimensions (mm): L 900 x W 625 x H 1,230

KT3 with inclined shelf
and 2 high shelves

Ladder (optional)

The hinged ladder is equipped with a non-slip chequered rubber surface.

Note holder (optional)

Notes or documents can be attached to the metal plate using a fastening clip.

5th castor (optional)

Mechanical version. The trolley can be rotated 360° on the spot. Antistatic strap as accessory.

Clothes rail (optional)

Transport of clothes is no problem with the KT3.

Door and rear panel (optional)

The wire door and rear panel secure your goods against unauthorised access.

Noise reduction

Plastic parts for securing and noise reduction are included as standard in the scope of delivery of the hook-in grate.
