

Forklift Sweeper Extreme 1520mm with 2 x side brooms EW-FS-E

Forklift sweeper attachment attaches straight onto your forklift tynes. With side brooms and dust filtration this beast is made for your Australian factory floor or warehouse

It works totally independently and is self motorised.

Features:

- HUGE Cleaning Width 1524mm
- No hydraulic connections required
- Can be mounted on all lift trucks
- Designed for indoor and outdoor use
- Total capacity: 400 kg
- 100% dust control thanks to the vacuum created inside and the installed filter
- Easy installation: can be fitted in less than 1 minute
- The brushes are mechanically driven by the wheels via belts.
- Can easily be emptied over a skip by means of a lever.
- Turns automatically in corners thanks to the small turning circle
- Finance options available
- Full manufacturers warranty
- Spare belts, main brushes and side brushes available in both nylon and polypropylene
