

Kelba KOCS-XZ CRANE SCALE

Mini Crane Scale

The **Kelba KOCS-XZ** series of Crane Scales, offers the user a simple and easy method to weigh goods in a lifting / tension application covering a capacity range from 500kg to 1000kg. Industrial design built for commercial use at a realistic price.

Comes standard with a small hand remote controller for ease of use which operates all the functions of the KOCS-XZ- mini crane scale.

Standard LCD display with backlighting provides up to minimum of 40 hours of continuous operation. Comes standard inbuilt rechargeable battery and battery charger. Ideal for use where a light weight crane scale is required. Australian standard hooks are supplied with each crane scale.
