SPECIALTY RANGE

# Change Table with Padded Side Rails

The SX Change Table has been specifically designed for schools accommodating students with special needs.

The electric Hi-Lo table has a low minimum height of 450mm allowing for wheelchair transfers with little assistance reducing back strain and injury on the caregiver.

Designed to work well in a school environment the SX Change Table comes standard with independently lockable castors and padded safety side rails allowing easy manoeuvrability when moving the student from room to room or in an emergency.

## FEATURES

- Electric height adjustment with footswitch
- X-frame lift action minimises pinch and crush points
- Heavy duty individually lockable castors
- Durable powder coated rust resistant frame
- High quality anti-microbial vinyl & CFC free foam
- Australian designed & manufactured
