## ANVIL PIZZA CONVEYOR OVEN HX-15 1PH 1499X575X436MM

**Product Code:** 4051187

**Product Description:** The Anvil Conveyor Pizza Oven HX-15 is a robust and versatile solution for commercial kitchens, capable of reaching a maximum temperature of 300°C. It features full digital controls for precise heat and speed adjustments, making it ideal for cooking pizzas, reheating, defrosting pre-made food, and more. The heavy-duty 350mm stainless steel conveyor belt is built for durability and can switch between right-to-left or left-to-right operation, enhancing flexibility in busy kitchens. A powerful cooling fan ensures the oven's exterior remains safe to touch, while the conveyor design allows continuous, efficient cooking for high-demand settings. With a clearance height of 70mm, it accommodates a range of food sizes. Please note that this oven is supplied without a plug and requires installation by a qualified electrician. The Anvil Conveyor Pizza Oven HX-15 provides reliable, consistent results with a compact footprint, making it a valuable addition for restaurants, cafes, and catering businesses.

**Unit:** EACH

**\$2,857.14** ex. GST
