

# PROMOTAL ENT CHAIR

## A QUALITY CHAIR DESIGNED FOR SPECIFIC EXAMINATIONS

The Promotal ENT chair combines quality and comfort of use for you and your patients

Designed to facilitate examinations of the nose, the throat, and ears with its adjustable ergonomic headrest, this chair provides all the essential functions for ENT examinations

With its hydraulic variable height and 360° rotation, the Promotal ENT chair offers an ideal examination position for the practitioner and easy access for patients with its minimum height of 58cm.

## STANDARD FEATURES OF THE ENT CHAIR - REF: 2863
