

DATA SHEET

Xilin – WCBD20R

Description:

- Electric lift and ride on pallet truck

Features:

- Built in charger
- Multi function display: battery status, hour meter, fault code
- Side-way battery with roll out system, convenient to replace batteries
- Built in pressure relief valve protects from overloading
- Foldable platform with speed sensor

Applications:

- To move skips and pallets in narrow aisle applications.

Specification:

Capacity:	2000 kg	Travel Speed:	7.9 km/h
Fork Height:	85/80mm	Voltage:	24v
Max Lift Height:	200mm	Unit Weight:	570kg
Overall Length:	1873mm		
Fork Width:	685mm		
Turning Radius:	1750mm		

GS mark is a voluntary certification mark for technical equipment. It indicates that the equipment meets German and if available, European safety requirements for such devices.

The CE marking (also known as CE mark) is a mandatory conformity mark on many products placed on the single market in the European Economic Area (EEA). The CE marking certifies that a product has met EU consumer safety, health or environmental requirements.

All specifications and figures are subject to change without notice for improvement
