

# Kubota L2202DT

SOTA REMANUFACTURED KUBOTA

## AGRICULTURAL ALL ROUNDER

The Kubota L2202DT is a remanufactured 26hp, 4WD diesel tractor, suitable for landscaping, small farming and other agricultural applications. It is equipped with a brand new, purpose-built front-end loader with a 4 in 1 bucket, which is ideal for applications such as stables, stud farms and small scale operations from boutique vineyards to public property managers.

## LOW SPEED WORKHORSE

The Kubota L2202DT supports a broad range of three point linkage attachments, such as backhoes, slashers and rotary hoes. With a **16 speed transmission and creeper gears**, the L2202DT is excellent for very low speeds tasks – think trenching!

## FULLY SUPPORTED

The L2202DT is a **fully supported tractor**. It is backed by SOTA's famous customer service and renowned after-sales support. We have sold thousands of these small, compact Kubota tractors and loaders throughout Australia and we support the models that we import with a full complement of spare parts, on the shelf plus a written warranty for peace of mind.

The L2202DT comes with a standard 3 month warranty, which includes **all parts, labour, freight and travel costs**. An optional 15 month warranty extension is also available.
