

Wanderer
Rediscover Your Freedom

Great to Roam Around

Wanderer
Rediscover Your Freedom

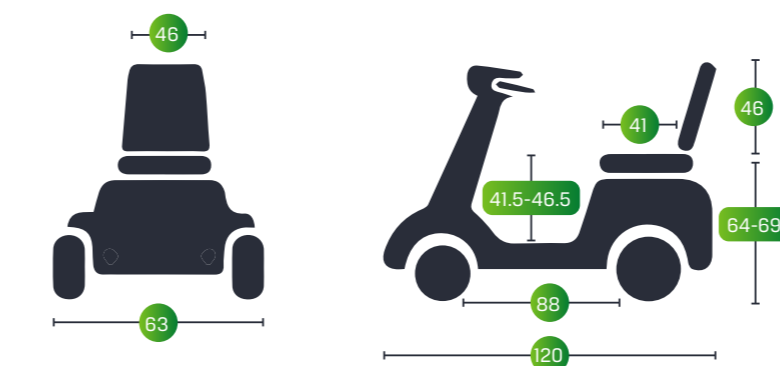

A great option for daily use, the Wanderer is designed for trips to the shops, getting out in the fresh air, or popping over to visit friends and family.

Its dynamic safety features include automatic speed adjustment while turning, and lockable storage, making it a practical and safe choice for getting out and about.

- Adjustable prestige car like suspension front & rear delivers a smooth ride over varied terrain
- Comfortable leather feel contoured high back seat with slide, swivel, recline & adjustable armrests
- Unique battery storage design allows for greater floor space & a safe secure lockable storage area for personal items
- New modern LCD dashboard display offers clearer easier to read battery gauge, speed, time & temperature
- LED lighting system delivers brighter illumination with less power consumption
- Built in speed reduction switch which is activated when turning offering exceptional safety
- New easy to access 12-volt socket (for phone or GPS)
